Committee on the Peaceful
Uses of Outer Space

Information furnished in conformity with the Convention on Registration of Objects Launched into Outer Space

Note verbale dated 3 November 1999 from the Permanent Mission of Sweden to the United Nations (Vienna) addressed to the Secretary-General

The Permanent Mission of Sweden to the United Nations (Vienna) presents its compliments to the Secretary-General and has the honour to provide additional information in accordance with article IV, paragraphs 2 and 3, of the Convention on Registration of Objects Launched into Outer Space (General Assembly resolution 3235 (XXIX), annex).

The scientific satellite Astrid-2 (registration number 1998-72B, see document ST/SG/SER.E/352) ceased functioning on 24 July 1999.

The Swedish satellite Sirius-3 (registration number 1998-56B, see document ST/SG/SER.E/349) will remain in its orbital position, 28.2° E, during the entire month of November, contrary to what was communicated in the aforesaid note.
